

# ...so when do we do what?

**Congrats! You've locked us in!** •••••

Your deposit is due within 5 days of signing your contract.

## **First, let's work on your menu!!**

We know... given the endless amount of options there are, this may be overwhelming. But don't worry! We have some master menu item lists AND we know food pretty well (if I do say so myself); we're hear to help you figure this part out.

## **Then, We'll get your Menu Tasting Scheduled!**

We'll send out an email in late fall with our available Menu Tasting Dates! We offer 2 styles of menu tastings: private tastings or group menu tastings. Once you're booked with us, we offer your menu tasting complimentary for up to 4 guests. Additional guests are \$65 per person, paid in advance.

## **Now for The Waiting Game....**

During this time we will make changes to your menu, you can check out linen and rental options, and we would recommend reviewing the Final Details Questionnaire so you're ready to give us all of the nitty gritty details.

Private Tastings are typically held during the week. We can accommodate up to a party of 8 for a private tasting. At this style of tasting we will prepare your entire menu for you.

Group Menu Tastings on held in the afternoon on the weekends. This style of tasting is fun because we try to get up to 5 couples in attendance, we set up restaurant style, and then pull menu items from everyone's menus- there is a TON of different food to try!

\*Please note that we may not be able to produce some items that may be seasonal or unable to be reasonably prepared for a small guest count.

We may not chat too much until we get a bit closer to wedding day; but don't worry, we're in it to win it with you and have you on the calendar!

this is that weird in between time

1 Month Until Wedding Day! •••••

## **Finalize Your Menu**

We need to have your menu finalized at least (1) one month before wedding day. This way, the kitchen can prepare their schedules and place their orders with our local vendors and suppliers so we're sure to have top quality ingredients for your dishes.

All **Rental Options** and the **Final Details Questionnaire** are also due now, so our Front of House Team can start putting together all of the behind the scenes logistics.

Total **Guest Count**, Children's Meal & Vendor Count Breakdown is due now.

Your MLC Contact person will finalize your last payment based on your final guest count and rental orders.

3 Weeks To Go •••••

Your Floor Plan, Timeline, Final Payment & Guest Meal Breakdown are due.

Just 2 Weeks Until the I Do's! •••••

*It's Wedding Day!*

**See you there!**
