

Rental Information

- Linens
 - The standard package included in your contract already is polyester floor length linens for all guest tables, ancillary tables (guest book, buffets, etc) , and napkins. You can choose a combination of colors or textures, upgrades or standard linens.
 - I would quote out your request and let you know if there is a cost increase and wait for the greenlight from you to reserve them.
 - These are our linen partners:
 - [Premier Linen Co.](#) would be our go to for Poly linens, or slightly upgraded fabrics
 - [Special Occasions](#) has **incredible** linens at a higher upgraded cost
- China/ Flatware/Glassware
 - The standard package included in your contract is:
 - **China:** white rimmed plate (you can choose/upgrade this)
 - **Flatware:** basic silver flatware: salad fork, dinner fork, knife, and additional salad forks if needed for cocktail hour (I usually use Bastia from T&E; you can choose/upgrade this)
 - Water Goblet (the upgrade to this would be one of the vintage goblets)
 - Champagne Flute
 - Irish Coffee Mug (if requested. Otherwise, we will use biodegradable hot beverage cups for the coffee station)
 - **Barware** like:
 - rocks glasses
 - all-purpose wine glasses
 - a small amount of pilsner glasses if requested
 - Depending on your signature drinks we can order items like martini glasses, margarita glasses, etc... and provide a quote for the custom order.
 - These are our china/flatware/glassware partners:
 - [A to Z Rentals](#)- They have a beautiful selection of chargers and specialty plates, as well as vintage goblets. Their items are often an upgrade.
 - [Tents and Events](#)- is our go to- we would order the standard package from them and they have a more extensive barware selection then A to Z and are willing to get items in stock if we need something they don't carry.
